This Contract made on _____, 20 __, by and between **Parker Farms**, hereinafter called "**PF**", and _____, hereinafter called "**Owner**", both of whom are hereinafter called the "**Parties**".

Recitals:

Parker Farms is in the business of equine embryo recovery and transfer. **Owner** desires to enter a contract with PF for such services. **Therefore, the Parties agree as follows:**

1. Owner shall deliver its mare, the "Donor Mare", named _____, to PF in Orrum, North Carolina. Upon delivery, PF shall initiate the breeding process to recover an embryo. PF shall attempt to flush the embryo(s) from the Donor Mare, evaluate the embryo(s), and if apparently healthy, transfer the embryo(s) into the uterus of suitable "Recipient Mare", prepared and owned by PF or nearby recipient herd.
2. Upon the signing of this Contract, Owner shall pay to PF \$850.00 non-refundable (under any circumstances) nomination fee. Said fee shall be considered payment towards **only** the following services: palpations, ultrasound examination, artificial insemination (not including stallion fees and semen transport fees), and embryo recovery, evaluation, and transfer performed between February 1, and December 1, 2017. This fee is not transferable to another "Donor Mare" nor is the nomination fee for this "Donor Mare" transferable to another owner.
3. Upon each Recipient Mare reaching 30 days of gestation with a viable pregnancy, Owner shall pay to PF \$3000.00. PF shall start charging boarding fees for the Recipient Mare after she reaches 30 days gestation at the rate of \$15.00 per day. The Owner may transport the Recipient Mare to another location, or choose our year round mare care program after she reaches 30 days of gestation.
4. Owner shall return each Recipient Mare to PF in good health within 6 months following foaling. However, if Owner shall fail to so-return the Recipient Mare, Owner agrees to pay PF \$1,350.00.
5. It is expected that each Recipient Mare will deliver a live foal (defined for this purpose as able to stand and nurse within 24 hours after birth). If, after 30 days gestation, a Recipient Mare loses the pregnancy, the Owner will receive a \$2,000 credit towards future services. The Recipient Mare must be returned and a letter from the examining veterinarian stating findings at the time of loss must be presented for the credit to be issued. No credit will be issued if the loss is due to an inherited genetic defect such as lethal white syndrome.
6. If PF is in possession of Donor Mare, Owner shall pay as billed by PF as follows:
 - a. for mare motel boarding, \$20.00 per day;
 - b. for show barn stall boarding, \$25.00 per day;
 - c. for mare and foal boarding, \$22.00 per day.

7. PF recommends to Owner that Owner insure Donor Mare, Recipient Mare and the embryo against all losses and risks of every kind, nature and description. Owner shall indemnify and hold PF harmless with respect to said losses and risks. The parties agree and understand that during the period that PF is in possession of the Donor Mare, good practice and health considerations may require medical or farrier treatment for unforeseen or emergency conditions. Therefore, during the term of this agreement, owner hereby grants to PF the right and authority, based upon its separate judgment, to have the Donor Mare treated or shod at any time. Owner shall pay/reimburse PF for the cost thereof. Owner also agrees to be financially responsible for veterinary expenses of the Recipient Mare after 30 days of gestation.

8. All notices required by this Contract shall be given as follows: if to Parker Farms., 584 S. Creek Road, Orrum, North Carolina 28369; if to Owner, then the address shown at Owner's signature.

9. Owner understands and agrees that PF is not responsible for the expense of stallion fees, transporting semen, or semen containers. Further, Owner understands and agrees that PF is not responsible for registration or blood-typing of the resultant foal.

10. Owner understands and agrees that many factors impact upon successful embryo recovery and/or implantation and that although PF shall use its best efforts to perform the services required by this Contract, PF does not guarantee success of the procedures. If PF is unable to either recover and/or if the transfer does not result in a pregnancy, Owner's damages shall be limited to PF continuing obligation to complete the same subject to the following limitations (all at the Owner's sole expense and risk):

If PF is unable to recover an embryo from the Donor Mare, PF or Owner shall have the right to declare this Contract terminated. In such event, Owner shall (a) pay to PF all sums due under this Contract and (b) arrange for the transportation of Donor Mare (at Owner's sole expense and risk). As a further limitation, if any recovery or transfer of an embryo is unsuccessful, PF continuing obligation to complete the same shall terminate at the end of the calendar year. Thereafter, this Contract shall be deemed terminated and the Parties shall have no further obligations to one another.

11. PF reserves the right to refuse or suspend service when the Owner's account is past due.

12. It is specifically understood and agreed between the Parties that prior to the transporting of the Recipient Mare or the Donor Mare from PF, all charges for services rendered in this Contract shall be paid in full. Further, by filing this Contract along with a detailed itemization of the unpaid charges owed to PF by Owner, PF shall have a possessory lien on the Donor Mare as well as the Recipient Mare and the fetus.

13. With regard to the transportation of the Donor Mare and the Recipient Mare, all risk of loss shall be borne by Owner, and Owner shall pay all transportation expenses. Owner must provide three-business days notice to PF prior to discharge of Donor or Recipient mares to allow for processing of mares and paper work. All Donor Mares and Recipient Mares shall be picked up and delivered during regular business hours.

14. For all purposes, this Contract shall be deemed to be negotiated, made and signed in Robeson County, North Carolina and the laws of North Carolina shall control. At PF election, any litigation regarding the Contract shall occur in Robeson County, North Carolina.

15. This Contract is the final and complete agreement of the Parties and there are no other terms of the Parties in agreement other than those contained in this document.

16. This Contract shall be binding upon the Parties and their respective heirs, personal representatives, successors and assigns.

As Evidence of This Contract, the Parties have signed and dated this Contract as indicated below.
